

Jarvis Macdonald

Candidate for 1st Vice-District Governor

I have been a proud member of Lions Club of Westbury for 6 years and joined as I felt a need to give something back to the local community. Within the club I have held the position of tail twister, Vice President and President. I would like to think that I have had some involvement in making Westbury Lions a fun and enthusiastic club to be a member.

I have also been privileged to hold the position of Zone Chairman of Zone 2c

After 19 years I finally married my long suffering partner Heather in June this year, Heather has the unenviable job of trying to keep me organised, a task even this formidable lady struggles with from time to time

Hobbies are watching our favourite team Bath Rugby, walking (although you wouldn't think so looking at my physique) motor bike touring and reading

If elected for the post of 1st Vice District Governor, I hope to continue my work as part of this dynamic District Governor team which is led by our current DG Peter Burnett and ably assisted by 1VDG Ken Staniforth. I feel that creating a fun positive environment is key to the future of both our clubs and the district and I will make it my mission to help push us along in that direction

Kind Regards

Jarvis Macdonald
